## PLANES TO BOMB MISSOURI RIVER ICE GORGES

### CITY THIRD IN NATIONAL CONTEST

Richmond was awarded third place in the honor list of cities of the fourth class in the National Fire Waste contest, according to word received yesterday morning from the United States Chamber of Commerce. The contest was under the auspices of the United States Chamber of Commerce and the National Fire Waste commission.

Class four includes cities under 50,000 population, according to Fire Chief William P. Cooper. During 1928 Richmond's fire loss was about \$5600 due to two fires that resulted in damages of more than \$200 each, according to Chief Cooper.

The best record for all cities in the United States was won by the city of Detroit, Mich., according to word received here.

The results of the contest were announced as follows:

Class One: Detroit, Mich.  
Class Two: Erie, Penn.  
Class Three: Lakewood, O.  
Class Four: Owensboro, Ky.  
Class Five: Albany, Ga.

Richmond stands a good chance of annexing a high place in the 1929 contest, it was stated here yesterday.

The contest is judged on low fire loss, fire prevention work and publicity given in the news papers to the prevention work.

### Redeeming Sin Appearing In Record-Herald

The love of a physician for a girl of the Paris underworld is revealed in "The Redeeming Sin," a new story that starts in this issue of the RECORD-HERALD.

The girl grows to love the doctor, Jettour, head of an Apache gang, loves Fleurette too. He decides to kill the doctor. A thrilling fight in the sewers of Paris follows. Jettour returns and tells Fleurette that her lover is dead. Through treachery he forces her to marry him.

But read this thrilling story and learn of the fate of Jettour.

### \$400,000 S. F. GEM THEFT

SAN FRANCISCO, March 26.—(UP)—Nearly half a million dollars worth of diamonds and valuable jewels were stolen here today by three men who had apparently planned the robbery for several weeks and in detail.

The trio, operating in one of the most expensive of American-made automobiles, took a bus containing \$400,000 worth of gems from Harry Amols Brooklyn salesman for a New York firm, about 15 minutes after they had entered a jewelry store and escaped with loot valued at nearly \$250,000, police reports said.

Familiarity of the thieves with Amols' first name when they held him in the entrance of a downtown building led police to believe they had watched the salesman's activities for some time and offered the major clue for their detection.

All main thoroughfares out of the city, railroad stations and departing passengers on steamers were watched closely for any person who might tally with descriptions of the robbers.

### Screen Players To Marry Soon

DAHLIE PEARS, screen actress is going to marry Bryant Washburn, film actor soon. Miss Pears is known on the screen as Virginia Vance.

### NACO ATTACK DELAYED AGAIN

NACO, Sonora, March 26 (UP)—While Gen. Fausto Topete, commanding the rebel column expected to attack Naco, son a warning here Monday that he would bomb the town today, the insurrectionist troops failed to put in appearance.

The 500 federal defenders passed their sixth day in barred wire protected trenches surrounding Naco on three sides, well armed and prepared for a determined resistance.

With the loss of the sole federal scouting plane, through the capture of "Buzzy" Morrison, American pilot, by the rebels, the Naco garrison has been without definite word of the rebel movements.

As far as was known Gen. Topete's force was at Del Rio, 25 miles south of here. He was believed to be preparing bombs and improving tanks.

### Helms To Preside At Oakland School Meet

Walter T. Helms, city superintendent of schools will be in charge of a dinner to be served at 5 p. m. tonight in the Hotel Oakland. The dinner will be in honor of the deans of the University of California and the University of Southern California. Dean Paul Cadman of the University of California will be the principal speaker.

The dinner is one of the main events of the high school principals' convention which is now being held at Oakland.

At the business session this morning Frank C. Shallenberger, principal of the Roosevelt junior high school, will be one of the main speakers of the morning. His talk will be "Counseling Problems in the Junior High Schools." The session will start Long Beach.

### NEW FLOODS IN SECTION FEARED

BISMARCK, N. D., March 26.—(UP)—Airlines probably will be asked to bomb ice gorges in the Missouri river which threatened today to flood several towns and a valuable agricultural district.

A four foot wall of ice and water swept down the river Bismarck this afternoon. The break up of ice jams at Smith and Independence, it was feared would send the river over flood stage.

Federal weather bureau officials said three observation planes were on the way here from Selfridge field, Mich., in addition to a huge Martin bomber from Langley field. The planes will be used to destroy a monster gorge near Hurl, south of Bismarck, which may cause serious damage if not broken within thirty hours.

The city of Mandan, N. D., and hundreds of surrounding farms, were threatened by the rising waters, according to D. W. Roberts of the weather bureau.

### AIR STUDENT DIES IN CRASH

LOS ANGELES, March 26.—(UP)—A 22 year old student aviator who took his first solo flight today plunged 200 feet to his death today when he attempted to pilot a plane which had been brought to his airplane paint shop.

The youth was P. Sumner Brown Jr., son of a prominent Los Angeles real estate broker and clubman. Only yesterday his engagement to Miss Maude Ryan, pretty debutante, was made public and they were to have been married on May 29.

Officials at the Monarch airport said that Brown took the plane up without authority. The craft circled the field at an elevation barely sufficient to clear the telegraph wires, then went into a nose dive and crashed to earth.

### STOCKS IN NEW DROP

NEW YORK, March 26.—(UP)—The New York Stock Exchange today went through the biggest day ever experienced by any stock exchange in the world.

Trading totaled 8,246,740 shares. Prices collapsed in the early trading, declines ranging from one to more than 20 points. Call money went up 10 to 20 percent.

Billions were clipped from the paper value of stocks. Those who had sold the market short reaped fortunes and some of those on the other side of the market lost accordingly.

Shorts covered.

The shorts took no chances on a rise tomorrow and covered late.

### Manuel Martin Acquitted On Battery Charge

Manuel Martin, charged with battery in a complaint signed by Anne Rosemont, was acquitted yesterday afternoon by a jury hearing the case in the courtroom of Police Judge C. A. Odell. The jury deliberated only ten minutes.

Martin declared in his testimony that he did not strike the woman but merely pulled her away from Mary DeSouza with whom she is alleged to have been quarreling. The DeSouza woman is charged with battery in a complaint signed by Domenico Del Simone.

### LAST HONOR PAID FOCH

PARIS, March 26.—(UP)—The body of Marshal Ferdinand Foch, most beloved French soldier of modern times, was laid in a narrow crypt near Napoleon today while nations bowed in tribute.

Only the words of the war time president, Premier Raymond Poincare, rang beside the catafalque in praise of the dead marshal, but the silent tribute of hundreds of thousands who lined the long march from Notre Dame to the Invalides, was a sufficient mark of the esteem in which France held the man she called her savior.

Princes, warriors and statesmen attended the mass in Notre Dame cathedral at 2:05 a. m. and followed the marshal's hearse to the Invalides where it was placed in a temporary crypt at 2:30 p. m. The masses of people stood outside.

As Abbe Verrier, of Foch's parish church Sainte Clothilde, began the words of low mass, Notre Dame's bells began to toll, and the thousands standing outside dropped to their knees, crossing themselves and murmuring prayers. Simultaneously, a hundred shell-torn battleflags, emblems of the regiments Foch once commanded, were borne before the cathedral and dipped in salute.

### SPANISH AGES CROSS OCEAN

BAHIA, Brazil, March 26.—(UP)—The south Atlantic was traversed by airplane for the seventh time today when Capt. Ignacio Jover and Capt. Francisco Tellez, of the Spanish army, landed here after a flight from Seville.

Jimenez and Iglesias landed at Camaguey according to 19:29 a. m. before 7:20 a. m. C. S. T. after being in the air 43 hours and 48 minutes.

Each hero brought the flight to an end while enthusiastic Latin America was expecting the Spaniards to reach their destination, the D. Jover easily. The landing here also robbed them of the distinction of breaking the long distance flight record held by the Spaniards Antonio Ferrarin and Carlo Del Prete.

The welcome the fliers received when they were brought into Bahia by automobile from the aerodrome, 50 mile away, was so hearty, however that it offset their regret at failing to break the record.

### One Man Show Strike In Martinez Ended

MARTINEZ, March 26.—(UP)—Charge of petty theft were filed this afternoon against the operator of the State theater who last night called a one man strike, closing the theater. Repairs were made and the show resumed to night.

The management of the theater was forced to refund money of some 200 patrons, when the show was mysteriously removed from the projection machine.

Frogs or operators in Oakland playhouses have been on strike several weeks, demanding a pay increase. The Martinez operator demanded an increase in pay yesterday and was met with a refusal.

Louis Natty, manager, found the "feed wires" to the projecting machines torn loose. These were repaired but it was found that the lenses of both projecting machines had been removed. No others were available for installation and the management was forced to return the patrons' money. The lenses were put in and the show resumed today.

Theater heads declare that the operator demanded an increase in pay from \$50 to \$75 weekly. According to Natty an effort was made to bribe the musician, Miss Louis Anderson, with a gift in a sympathetic strike, but she refused.

### TWO KILLED IN POWDER BLAST

CLEVELAND, N. J., March 26.—(UP)—Two men were killed and three others were reported injured tonight after 3,000 pounds of nitroglycerin exploded in the Dupont Powder company's neutralizing plant here.

The explosion came shortly after 2 p. m. just after 50 men had left the one building in which the nitroglycerin was stored. It exploded with a terrific concussion which was felt for miles.

Cracks, parts of Philadelphia and other distant cities felt the shock. In nearby cities windows were shattered and pictures knocked down from walls.

Company officials were unable to explain the accident other than that Kerns, the watchman, may have dropped one tank of the explosive causing explosion of the entire 3,000 pounds.

### New Home To Be Built Here

Another new home was added to the Richmond toll for this year when W. J. Quinn took out a permit to construct a cottage on Twenty-second street between Barrett and Nevil avenues. The work will cost \$4100.

Two other minor building permits were issued yesterday by A. J. Hurley, city building inspector. They are Mrs. L. Mills, a one car garage on Sixth street between Ripley and Pennsylvania avenues to cost \$75 and Martha Patten on to build a woodshed on Sixth street between Ripley and Pennsylvania avenues.

### Chinese War Leader Shot

LONDON, March 27.—(UP)—An exchange dispatch from Hong Kong early today said a report had been received there by Gen. Li Chai-sun, regarded as the foremost Cantonese leader, had been shot.

The general was arrested recently by Gen. Chiang Kai-shek, president of the Nationalist government, when he went to Nanking to attend the nationalist congress.

### Cross Country Aviator Fails

AMARILLO, Tex., March 26.—(UP)—O'Key Bevins, who was forced down today at Willard, N. M. while attempting a non-stop solo flight from Los Angeles to New York, arrived here late today in his Lockheed Vega monoplane.

He announced that he will take off Wednesday morning on a direct flight to New York. He said he was forced down in New Mexico when he misjudged the height of a cloud bank and was unable to regain altitude. His plane was undamaged.

### Mabel Normand Reported Better

HOLLYWOOD, March 26.—(UP)—While Mabel Normand, film actress seriously ill with a lung ailment, is still very weak she has shown an encouraging improvement, her physician, Dr. E. C. Fishbaugh, said today. She will be confined to her bed for some time he said.

### Montague Love To Marry Soon

LOS ANGELES, March 26.—(UP)—Notice of intention to wed was filed here today by Montague Love, film actor, and Miss Marjorie Hollis. Each has been married previously. They can obtain a license Friday.

### Seattle Fighting Meningitis On Ship

SEATTLE, March 26.—(UP)—Police and health authorities tonight joined in enforcing rigid quarantine regulations against persons who arrived here on vessels with spinal meningitis cases aboard.

The President Jackson, carrying 328 Oriental steerage passengers, was to go into drydock with a special guard on hand to enforce the edict.

At Diamond Point barracks, 320 Filipinos brought from the President Madison were under quarantine. The President Lincoln brought a dozen cases of the disease here.

Two Filipinos, taken from the liner Empress of Russia with 200 others, died in quarantine at Victoria, B. C. according to reports received here.

### Boys, Matches Usual Result

CONCORD, March 25.—A box of matches and two small, curious boys got together today with the usual results.

Ernie Fontana and James Street, Concord youngsters, found a box of matches in the home of Mrs. C. Fontana. They went to a wood shed where wood had been stacked ready for the morning fire.

A few minutes later neighbors were called upon to save two automobiles and the Fontana home which was in the path of the blaze. The shed was a total loss.

### Entire Family Of Pittsburg Poisoned

MARTINEZ, March 26.—Mr. and Mrs. Bertram McDonald and their seven children ranging in ages from two to seven years, of Pittsburg stricken last night by poisonous poisoning, were saved by prompt medical treatment at the county hospital here.

The nine members of the family were stricken shortly after eating canned peas. They were brought to the hospital here where they received treatment from Dr. G. L. Coates, Jr., resident physician. With the exception of McDonald, who was the most seriously stricken, the members of the family were able to return to their homes today.

So seriously was the family

### Delta Property Owners Discuss New Assessments

MARTINEZ, March 26.—Seeking readjustment and probable lowering of assessment bases for delta district lands in Contra Costa county, owners of thousands of acres in the delta area met this morning with County Assessor George O. Meese.

Following the conference Meese declared that a definite plan for readjustment has not been worked out but that it will likely bring some slight assessment reduction. In presenting their case to the assessor the property owners cited heavy burdens placed on their hands by state and reclamation taxes and high production costs.

### Buddies Of War Meet In Martinez

MARTINEZ, March 26.—Deputy Sheriff J. M. Joseph and his wartime "buddy" Robert D. Major of San Francisco, met for the first time since the war unexpectedly on the streets of Martinez yesterday afternoon.

Major had the advantage of the sheriff who could not place his former "buddy" until the customary "remember when" of one soldier to another was started. The two spent several hours talking over old times and recalling former friends.

### PROFESSIONAL WOMEN'S CLUB ENTERTAINED AT DINNER PARTY

Councilman A. L. Paulsen and H. W. Harf were hosts to the members of the Richmond Business and Professional Women's club last night at a social dinner held at El Nido.

The principal speakers at the dinner were Mayor Mattie Chandler, Dr. Rosa Powell, Mrs. Norma Goettel and Mrs. A. C. Burdick.

Dr. Powell talked on the founding of the club and Mrs. Goettel spoke on the consolidation of the local club with the national organization. Mrs. Burdick made an address on increasing the membership of the club.

Among those in attendance were Anna Lantau, Florence M. Cuno, Lucille Caskey, Viola Treanor, Ruth Haney, Kathryn Murphy, Mildred Bryant, Hazel Huxefka, Wilma Hansen, Rose Bockius, Virginia Gray, Felicia Vernetti, Theresa Vernetti, Mary Casey.

## MORE THAN A SOLDIER

Marshal Foch's death has evoked expressions of honor and respect from all nations and even Germany has not been entirely silent although the official utterance of President von Hindenburg have been stopped by the fact that this old opponent of the dead leader is now the political head of the defeated nation.

Foch was more than a soldier. He was a national and international leader. The United States which placed its armies under his supreme command, although with independence of action within the general plan of the war council, has ordered the highest tributes to be paid. To quote:

"In paying these tributes to Marshal Foch, the United States is doing what it once did for another great soldier of France. When General LaFayette died in 1834 President Jackson decreed that a similar tribute be paid to the man who has come to be known to Americans almost as well as the great heroes of their own country.

"France, in the past, also has shown its respect for American soldiers, notably in the case of General Washington.

The designation of General Pershing to attend the funeral of Marshal Foch served to roll back the years to this same March day in 1918 when the Germans began battering the British and French. Two days later General Pershing stood before Foch and put at his disposal the great army of Americans. In doing so he said:

"I have come to say to you that the American people would hold it a great honor for our troops were they engaged in the present battle. I ask it of you in my name and in that of the American people.

"There is at this moment no other question than that of fighting. Infantry, artillery, aviation—all that we have—are yours to dispose of as you will. Others are coming who will be as numerous as may be necessary.

"I have come to say to you that the American people would be proud to be engaged in the greatest battle of history."

## A BANK OF THIS SIZE

Americans giving way to the fascination of huge—ness pursue each monster whether it is the vast question of merging railroads or that of coping with bootleggers. The country is becoming filled with Grand Canyons of finance, into which is poured wealth. It is developing mountain chains of markets upon which are piled the resources of the far corners of the world. What it called a Colossus in the days of Jay Gould and Vanderbilt and Harriman are now units in a more spacious scheme.

Read and Giannini interests decided to consolidate their banking interests with the result that the world is presented with a new titan of money. Twenty years ago a billion dollars was a sum unheard of except in dreams and now it is a measure applied to a score of enterprises.

In the same way new theorists account for the formation of the solar system. The sun began as a small knot of matter swirling in space with other small knots revolving around it and to each center of attraction particles were drawn until each reached a good size, each in turn accumulating satellites. Money has a gravitational quality. It grows by accretion, just as the planets grow by the steady attrition of the cosmic material thinly distributed through space.

If men's hearts and minds can be caused to grow in the same way then the scheme of evolution will carry us on toward a preordained destiny—all by gravitation, all by natural processes.

If the pacifists follow the same line of propaganda against the air service that they did against the navy, doubtless they will soon be advocating red rubber balloons instead of fighting planes.

## F. B. LODGE TO NAME DELEGATE TO COUNCIL

A representative to the supreme council of Fraternal Brotherhood will be voted upon by members of the Richmond lodge Tuesday night, according to an announcement made at a meeting of the lodge last night in Musgeteats hall.

Future events, which include an indoor picnic to be held April 2, were planned during a business session presided over by Mrs. Gloria Rasmussen. The ladies of the lodge will provide the lunches for the picnic.

Two new members were obligated and initiation will be held in the near future. The junior lodge will meet April 9.

A social time followed the business session and refreshments were served.

## PICTURE ADDS TO HISTORY OF SCREEN

A new chapter has been written  
in the history of the motion  
picture. A new wonder has been  
revealed. "Redskin," the new  
Richard Dix picture, the first  
picture ever made in a two-day run  
last night at the Fox California  
theater marks an amazingly won-  
derful step forward.

Beautiful scenic backgrounds  
are revealed in all their fine-  
ness and beauty. The hills and  
valleys of the Indian country are  
reproduced for the screen just as  
the eye sees them in nature. And  
the powerfully gripping story,  
true to Indian traditions and cus-  
toms, unfolds in this native set-  
ting.

A motion picture which dra-  
matically tells the story of a  
man's life, which makes such a  
thrilling success of the picture-  
ization of "The Vanishing  
American," turns his thoughts to  
the serious drama again and re-  
veals a new masterpiece worthy  
of place with all previous epics.

## VARIETY FOR LUNCHES URGED

WASHINGTON, March 26. UP  
—Parents today were urged to  
offer more variety in school lunch-  
es for their children.  
The Bureau of Home Econom-  
ics made a special study of  
school lunches and found there  
was a tendency to repeat the same  
meal the noon-day meal of the  
children every day.

"Why not make sandwiches of  
different kinds of bread, such as  
white, whole wheat, or rye, or  
whole wheat, or steamed  
brown bread, sometimes in place  
of the usual white bread, or  
using nut, or date bread, all of  
which are good with cheese fill-  
ing, or no filling at all.

"For a change omit sandwiches  
and include biscuits, rolls, or  
corn bread, or oat, or bean  
bushings. A piece of cheese, hard  
cheese, hard-boiled egg, or a  
chicken drumstick, may take the  
place of sandwich filling.

"The center of a roll may be  
filled with meat or cooked fish,  
or with mayonnaise. A  
small bag of crisp potato chips  
is liked occasionally, and, not  
too often, a piece of pickle."

The bureau suggests parents  
use salad fillings to make their  
sandwiches more interesting.  
Other hints included beans and  
potatoes, ground potatoes mixed  
with cream, tomato with mayon-  
naise, cooked meat cake in this  
hot slices of a whole tomato.

"Be sure to season all sand-  
wiches with sufficient salt," Dr.  
Stanley said. "Cut the bread even-  
ly, but not too thin, and spread  
it carefully on both sides so that  
the butter forms a coating that  
prevents the filling from soaking  
through."

"A heart of celery, radishes,  
crisp cucumber, slices of cucumber,  
raw carrot, or radishes are sug-  
gestions for including uncooked  
vegetables from time to time.  
Fruit of some kind is desirable  
very dry and dried fruits like  
raisins and dates can be  
used occasionally."

"In a sweet surprise now  
and then, a new kind of cookie,  
a piece of chocolate, an attrac-  
tive piece of cake, maple sugar  
or even a few candies.

"In class, to say the lunch  
should be packed attractively and  
so that it will be in good condi-  
tion when unpacked. Wrap each  
food separately in waxed paper  
and pack these loosely to  
keep them from being crushed."

Forty North county motor ve-  
hicle registration at the begin-  
ning of this year totaled 1,571, re-  
ports the California State Auto  
mobile association. Of this total  
1,201 were passenger cars.

## RICHMOND MAN ON AAHMES COMMITTEE

William F. Fraser of Richmond and A. V. McPaul of Pittsburg have been named as members of the prom committee of Aahmes temple, according to an announcement of C. Earl Brooks, general chairman of the Shrine entertainment committee, made at Shrine headquarters today.

The Richmond man is well known throughout the ranks of Shrinism in California and he is a member of the official Division of Illustrations Potentate Clare D. Horner. His appointment to the prom committee is further evidence of the esteem in which he is held by the Shriners throughout the state.

McPaul of Pittsburg has been an active Shriner for some time. He has served on various committees throughout his membership and is one of the Shrine leaders of Contra Costa county.

The first official function to be attended by the two Contra Costa members of the prom committee is the formal dinner dance to be staged by Aahmes Temple at the Hotel Claremont on the evening of April 4. Both Fraser and McPaul will be active on that occasion and already they are making reservations for many Nobles of Contra Costa county who are preparing to attend the Aahmes Spring dinner dance.

As the dinner dance at the Claremont will rival any social event of the season, Shriners from all sections of northern California are making reservations and within a few days the committee will have to refuse applications, according to advice from the recorder of Aahmes Temple.

Two feature numbers have been secured for the April Shrine party. One of these is the famous dancing team known to followers of the stage as Don Julian and Mazini. The other is a famous soprano from New York who is visiting in California and who has been prevailed upon to make her first western appearance at the Shrine dinner dance April 4.

## Mountain View Cutoff Road Before County

MARTINEZ, March 26.—The cutoff road from Mountain View to Alhambra will be brought before the board of supervisors Monday for sanction, according to Supervisor C. H. Hayden who is sponsoring the road. Hayden declares that he has promise of deeds for the right of way from all but one of the property owners in the section and failure of owners of this piece of land to come in line would definitely postpone construction of the road.

Providing the highway receives the sanction of the supervisors, plans and specifications will be drawn up so that work on the project can be started immediately, Hayden stated.

According to present plans, an old macadam road will be built, making a considerable saving in mileage between Mountain View and the southern section of Martinez. The route would also alleviate traffic over Alhambra avenue and Pacheco boulevard. A request for the road was made by the Mountain View Improvement association on the grounds that among other benefits the route would save considerable distance for children traveling to the high school.

## Madame Musser Will Be Heard At Shrine Fete

Madame Julia Benison Musser, New York soprano has been secured to appear at the Aahmes Shrine spring dinner-dance at the Claremont hotel in Berkeley on the evening of April 4.

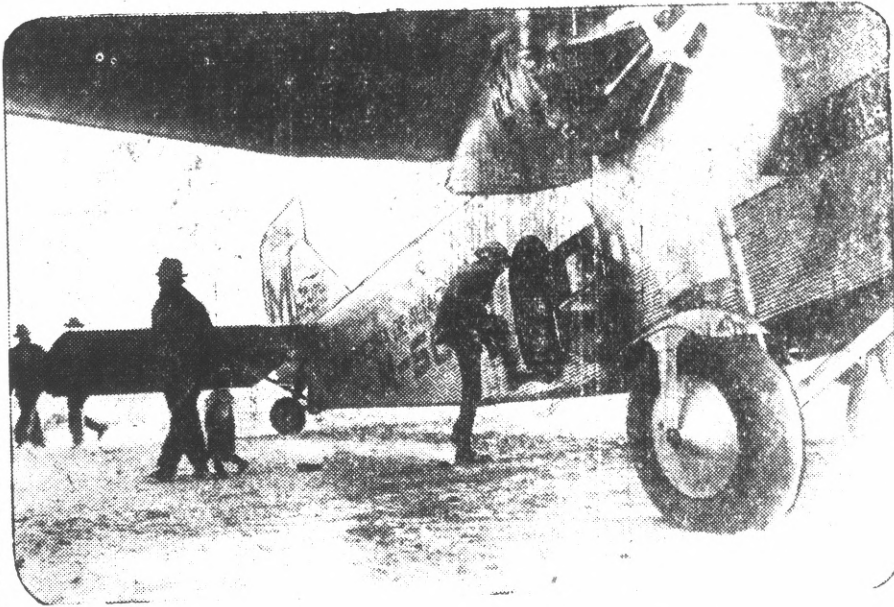

Madame Musser is making her initial appearance in the west and was secured through the efforts of C. Earl Brooks, chairman of Aahmes entertainment committee.

The dinner dance is attracting much attention on the part of Shriners and ladies, the entire dining room of the commodious Claremont hotel having been reserved for the Shriners party.

Potentate and Mrs. Clare D. Horner will head the receiving list. Jack Block is in charge of decorations. Julian Don and Marjorie will appear in several feature dances.

## AIRPLANES TO BOMB ICE GORGES

Continued from Page 1)  
Lots of Mississippi river towns were relieved today to see the flood waters slowly recede from the top of dikes and levees. The river here dropped half a foot during the day.

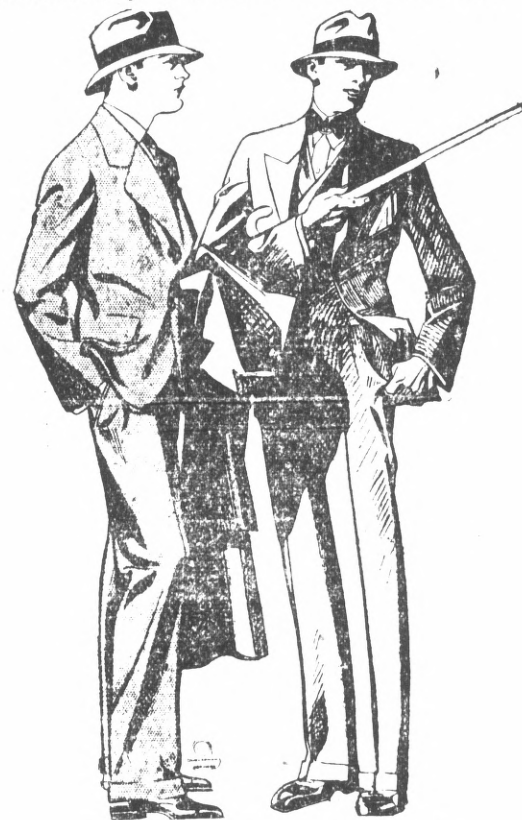

Vigilance was not relaxed, however, as reports from the north and south of Quincy indicated that levees, overtaken by the weight of the waters, might break at any time. It was believed a request would be made for additional state troops to aid the Quincy unit of the state militia in patrolling the stricken area to guard against looting.

At a point south of Keokuk, Ia., a water-oaked dike gave way and 6,000 acres of land were flooded. At Alexandria and Canton, Mo., several homes were surrounded by water.

River vandals in motor boats are reported to have some looting in the flooded area. Sheriff Kenneth E. Moore of Adams county in charge of patrol forces, issued orders to shoot all looters who failed to halt when commanded.

Health officials have issued warnings against scarlet fever but little or no sickness has been reported.

## STOCK MARKET IN RECORD DAY

(Continued from Page 1)

In the day with the result that prices rallied and the market closed amid a bedlam of cries, cowboy yells, cat calls and a shower of note paper, with prices going up in many instances toward the opening level.

At the close the tickers were an hour and a half late, so fast were orders received during the day. The tickers were still running at 5 p. m.

At the outset prices wavered a bit and then headed upward. But the advance soon faded and when call money renewed at 12 percent the market broke wide open. Toward noon another brief rally was started, but it too gave way when money went to 15 percent. In the afternoon the rate rose to 17 and finally to 20 percent, where it closed.

### Funds Scarce

So scarce were funds for stock exchange purposes that traders were willingly paying the 20 percent to tide over their commitments. As a large number sought to obtain new funds, others were trying to dispose of their stocks at any price. Tickers fell behind early and never caught up.

From the first flurry until William R. Crawford, superintendent of the floor, strode to the gong and pounded for cessation of the session, wildest confusion prevailed.

Ordinarily debonaire brokers lost their easy manners as the trading speeded up. Order clerks were scrambling in their hurry to fill transactions.

Around 2:40 p. m. the greatest interest centered at Post 8, where General Motors was being bought and sold. This interest later changed to Post 20, the radio salesplace, and the excitement which meant millions of dollars in turnover—prevailed there from 2:55 p. m. until the gong sounded at the closing of the session.

## EASTER PARTY PLANS MADE BY ELKS

Final plans for installation of officers to be held in the Elk clubrooms next Tuesday night were arranged by the members of the Richmond lodge of Elks last night. Dr. C. Walter Cole will be installed as exalted ruler with James Shanley of Oakland acting as installing officer.

An Easter party for the children of Richmond will be held by the lodge Sunday afternoon at the First Street hall park. There will be free Easter eggs for the children. An egg and live rabbit hunt for children over eight years of age will be held.

A feature of the afternoon will be a comedy baseball game between the Colored Giants of Oakland and the Elk ball team. This game is expected to be the funniest in years.

The party will start at 2 o'clock and will be under the direction of Arthur Alstrom.

A candidate was initiated by the local lodge last night for the Santa Monica lodge of Elks. An entertainment was staged under the direction of L. J. Thomas. Frank Tiller exalted ruler presided for the last time.

dered to proceed south to Guadalupe.

The bulletin said that several hundred soldiers were left outside Mazatlan to keep the federales under Gen. Jaime Carrillo in the town.

Gen. Francisco Borquez, commanding Nogales, declared that the troop movement was ordered by General Gonzalo Escobar, supreme commander of the revolt after provisions had been obtained at La Cruz, north of Mazatlan. Borquez said that Mexico city was the objective of the force, which is led by Generals Ricardo Topete and Roberto Cruz. Rebels claimed also that federales under General Plutarco Elias Calles were retreating south of Escalon, closely pursued by Gen. Escobar's insurgents.

General Borquez said that he had been advised of the capture of Canitas, state of Zacatecas, by rebels under General Pedro Quintanar. The town was occupied Sunday and a carload of ammunition seized, Gen. Borquez declared.

In case of rain the services will be held at the First Methodist church.

## YOUNG LAUDS MOTORDOM FOR AID

With the adoption by unanimous vote of the legislature of a definite policy of keeping California's highway system "out of politics," Gov. C. C. Young yesterday emphasized the significance of the scientific survey which will be made of the state's roads in a letter to the California State Automobile association expressing appreciation of the support of this policy by the motorists' organization.

This survey will begin May 1 and will be made by the State Department of Public Works in accordance with the concurrent resolution unanimously adopted by the legislature. The resolution provides that no new roads are to be added to the state highway system at this session of the legislature and that a report on the engineering and economic study shall be filed with the 1931 legislature as a basis for considering future additions to the system.

This policy of having additions to the state highway system based on traffic pressure rather than political pressure was recommended by Gov. Young at the opening of the legislature and in a supplemental message he recommended a plan for making it effective. The California State Automobile association enthusiastically supported the governor's announced policy and its advocacy of the scientific survey crystallized sentiment throughout the state in support of the plan. Gov. Young, in according recognition of this support from organized motorists, wrote as follows:

California State Automobile association, 150 Van Ness Avenue, San Francisco, California. Gentlemen:

"The California State Automobile association has made a most significant contribution to the California state highway system during the past few weeks, a contribution which I feel is deserving of public recognition.

"This aggressive advocacy of a policy that will make additions to our state highways dependent upon a non-political investigation and a scientific study was one of the determining factors in the final adoption of this policy. Let me express to you my personal appreciation of the support accorded by your organization officially and by its representatives and members in person.

Yours very sincerely,  
(signed) C. C. YOUNG,  
Governor.

## Local Airmail Letter Returns After Adventure

A letter damaged in an airmail crash in Utah continued its journey and arrived at its destination just one week later, Ernest Marcus, manager of Garfinkle's store learned yesterday.

On March 9 Marcus mailed an airmail letter to Philadelphia ordering clothing. On March 11 the airmail plane crashed at Park City, Utah. The envelope of Marcus' letter was destroyed. The letter was placed in the official postoffice envelope and was forwarded on its way, being received in Philadelphia a week later.

The manufacturer sent back the letter and envelope to Marcus to show the cause of delay and as a curiosity.

Thirteen others, under the twelfth grade who made the honor roll were: Ivy Banner, Earl Cometta, Helen Dunning, Paul Robert Peters, Russell Ralston, Bruno Roveda, Hilda Smersfelt, Edith Teese, Walter Thomas, Ma-Plouff, Emily Stribley, Mabelmie Traverso, Lenore Vargas, Eli-Elwaite, Byron Young and Elizabeth Miller, and Audra Wilson, both Lounds.

## Eighth Birthday Of Local Lions Marked At Meet

The eighth birthday of the Richmond den of Lions was celebrated yesterday afternoon in the Hotel Carquinez at an entertainment held under the direction of Ward McCracken, one of the first members of the local club. Musical numbers were presented by a colored quartet from Monroe College, Texas.

City Clerk Arthur Faris, secretary of the local den, celebrated his eighth anniversary as secretary of the local club. Faris is the dean of all Lion secretaries in the bay regions.

Among the speakers at yesterday's meeting were: Francis H. Woodward, Hiram E. Jacobs, Gus Lanz, Dr. L. St. John Hely, E. C. Randall, Dr. W. W. Giberson, F. H. Littlefield, Matthew Morton and Harry Hays.
